**Turkey thigh and drummer - £3.33**

**Brie - £0.70**

**Gammon end - £1.78**

We only used half of the Turkey and Gammon and we'll be having a cold meat feast today, so we're well within budget!

We slow roasted the Gammon in oil, salt & pepper. Allowed it to cool and sliced it. We then wrapped the Brie in gammon, boned the thigh and stuffed it.

Slow roasted and served with a vegetable tray bake this was a pretty hearty and tasty treat.

**Sue is presently straining the stock she made with the bone?...**
