

Well it is in out ?Ingredients Alphabet? anyway.

This rice creation was inspired by a North African Couscous dish. Couscous is Wheat based so we modified the recipe to use Rice. Oh and added a few bits and bobs. OK - OK we didn't follow the recipe at all! Also while we at the confessions gig, the Kebabs were made with a £1.60 pack of Beef mince as the equivalent weight of Lamb was £3.95 and would have broken our budget?.
